

DIGITAL SIGNATURES YOUR WAY WITH ZIPLOGIX DIGITAL INK®

zipLogix Digital Ink® is the integrated digital signature solution built specifically for real estate professionals. Protect transaction and client data with the secure digital signature solution you trust, zipLogix Digital Ink®.

Mobile

Available in zipForm® Mobile, zipLogix Digital Ink® is there when you need it most. In minutes send documents for digital signatures from tablets.

Cybersecurity

Add an extra layer of security when you need it. SMS Authentication and Identity Verification services are available.*

Integrated

Embedded within zipForm® Plus, no workflow interruptions or loading pages. Send clients contracts for digital signature in moments.

Customization

Upload custom documents and prepare them for signatures in moments. No matter how unique, every transaction can be digitally signed.

E-Signature Packets

A visually optimized workflow for a streamlined step-by-step experience. Easily organize multiple submissions for the same transaction.

Secure

Each signature is permanently attached to the PDF document with built-in security that identifies and authenticates each signature using a security standard.
