# YOUR COMPLETE TRANSACTION MANAGEMENT SOLUTION FOR BROKERAGES

zipLogix™
Creators of zipForm®

Agile. Secure. Trusted.

SUITE SUCCESS IS YOURS WITH THE COMPLETE TECHNOLOGY PACKAGE FOR BROKERAGES

More than just forms, this powerful multi-user solution enables you to manage the performance of every office, team or individual agent within your brokerage. Your whole team can manage transactions, sign documents electronically, store information safely and import accurate MLS data…all from a smartphone, laptop or desktop! The exceptional tools within the Brokerage Suite provide everything your agents need for the best technological edge. They'll save time closing deals from start to finish while you oversee their progress and success.

zipForm® Plus, zipTMS® and zipVault® make up the NAR Transaction Management Benefit. Compare to the advantages of the robust and efficient complete Brokerage Suite.
